WHO IS THIS COURSE FOR?

The Photoshop 2025 certification course is designed for individuals who want to develop industry-level skills and confidently use Photoshop in professional or semi-professional environments.

LEARN FROM THE BEST!

Carly Green

A Media Technology instructor and Adobe Education Leader, she teaches design, photography, and video, focusing on real-world digital projects and creative learning.

Isacc Yi

Isaac Yi is a commercial photographer experienced in product, branding, food, and portrait photography. Self-taught, he has worked with brands like Corkcicle, Mejuri, Angostura, and Harley-Davidson, creating visually rich, story-driven imagery.

Nickolas Warner

Nickolas Warner is a Utah-based nature photographer and educator focused on capturing wild, remote landscapes. His award-winning work has been featured in magazines and global publications.

Jonathan Gordon

Jonathan has over 29 years of teaching experience across English, Journalism, and Digital Media. Specializing in Adobe tools, he has also taught office and web design, and is an award-winning educator and InDesign author/editor.

Sarah Lawrence

Sarah Lawrence is an Atlanta-based designer and illustrator with 10+ years of experience, creating branding, editorial, and experimental projects for clients like Facebook and Midtown Alliance.

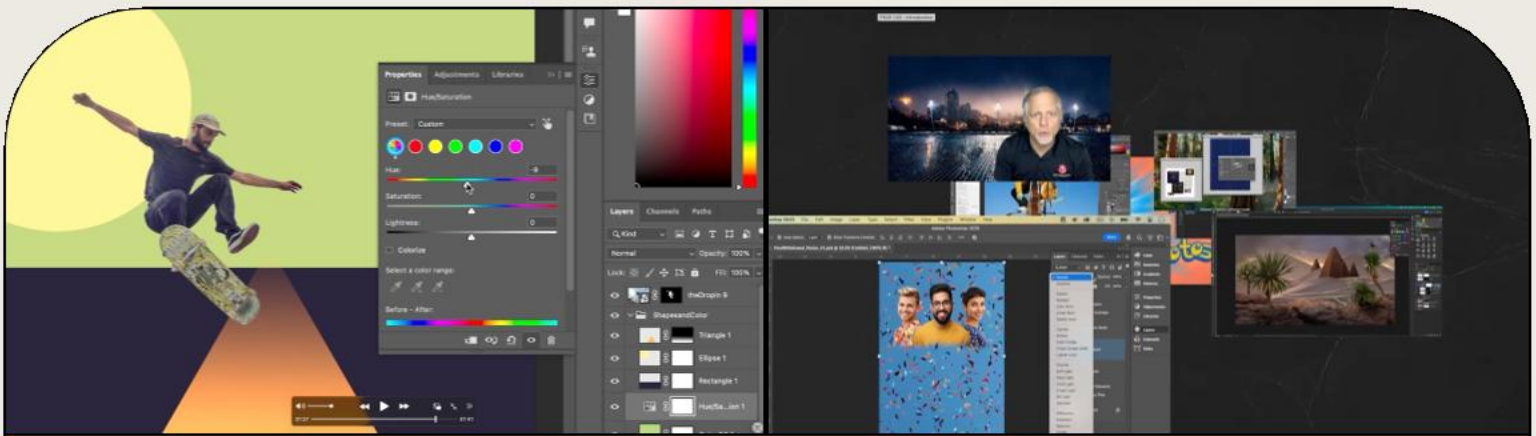

Eric Cornish

Eric Cornish is a professor and Adobe-certified designer with 25+ years of experience, who has trained thousands in creative tools. He focuses on hands-on learning to help students confidently bring ideas to life.

Charles Gilbert

Charles Gilbert is a Canadian actor turned animator who worked in radio, commercials, TV, and game design before becoming a video game design teacher at Lake Worth High School, where he shares his passion for creativity.

CLASSROOM MATERIALS

This course includes a complete set of teaching materials designed to help instructors deliver each lesson with clarity and confidence. These resources support lesson planning, student practice, and exercise review, making it easier to guide learners through the course content and reinforce key concepts.

Teacher Resources

LESSON PLANS+ANSWER KEYS

This course includes **lesson plans** for every class, covering modules, projects, objectives, and teaching tips, plus complete **answer keys** for easy grading.

Student Resources

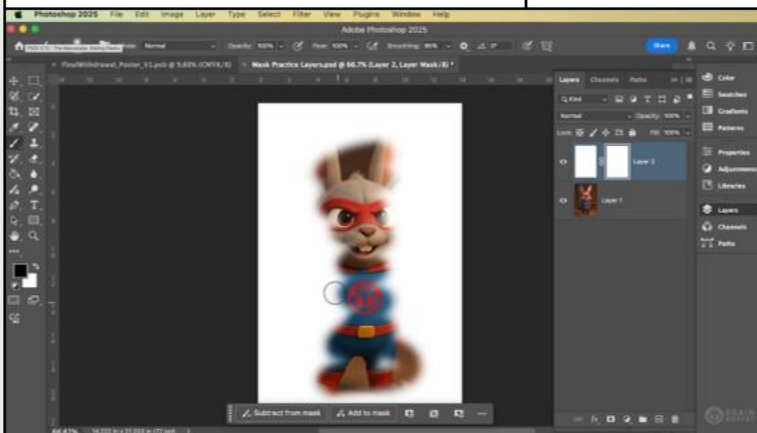

HANDS-ON

Students are equipped with everything they need to succeed, including **hands-on project files**, a **workbook** packed with activities, practice exercises, vocabulary, and lesson reviews, plus **flashcards** to strengthen key concepts and support long-term retention.

Quizzes & Knowledge Checks

AUTO-GRADED ASSESSMENTS

Each module includes **auto-graded quizzes** and **interactive video questions** that help students reinforce what they've learned, while giving instructors an easy way to track progress throughout the course.
