\*Information collected from Glassdoor.

**5**  
Modules

## HOW LONG DOES IT TAKE?

**17 HR** *Estimated  
Course Duration*

**5.5 HR** *Lesson Video  
Runtime*

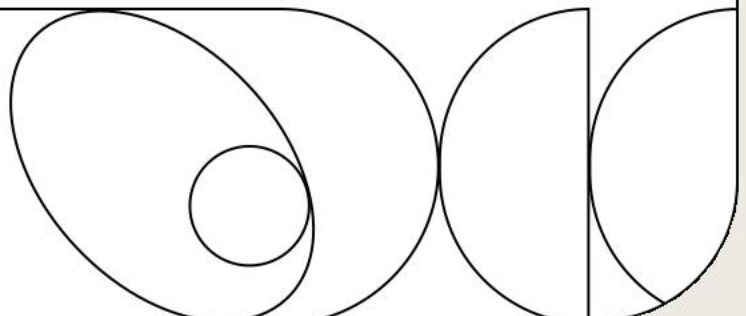

## WHO IS THIS COURSE FOR?

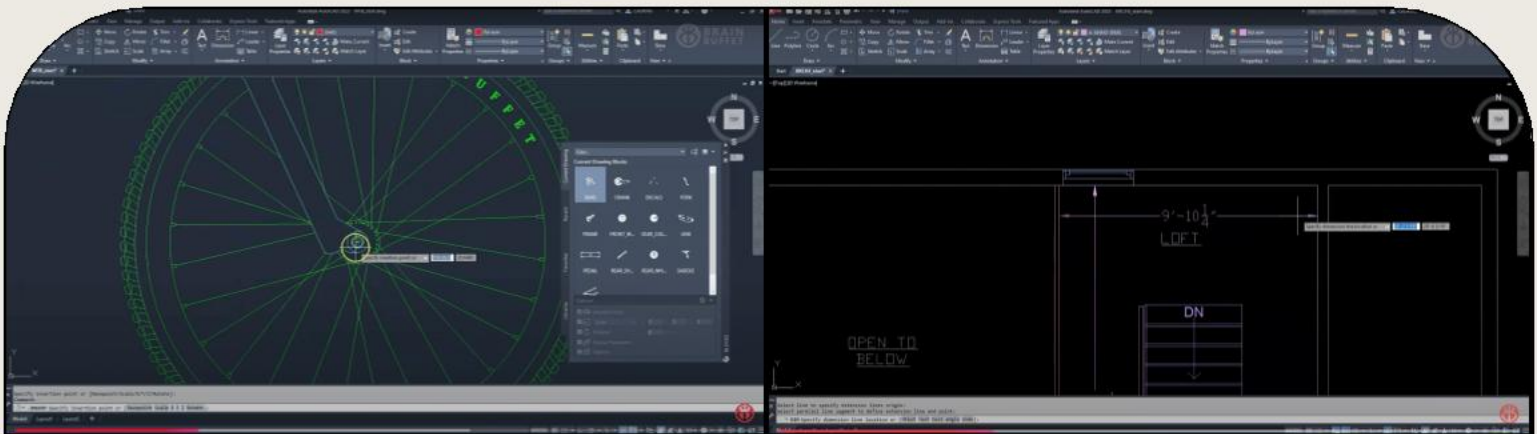

Designed for aspiring and experienced professionals alike, Autodesk AutoCAD certification course equips you with in-demand design skills and validates your ability to work confidently with industry-standard software.

**Greg King**

Greg King is a Computer Assisted Design instructor who teaches architectural design, mechanical design, and computer animation. He previously worked as a Senior Mechanical Designer and Project Manager on HVAC projects and holds certifications including LEED AP O+M and WELL AP. With over 25 years of experience using Autodesk products, he was selected in 2022 as a Certipoint CERTIFIED Ambassador. Outside of teaching, he works as a freelance designer and enjoys skiing and coaching youth mountain bike racing.

## CLASSROOM MATERIALS

This course includes a complete set of teaching materials designed to help instructors deliver each lesson with clarity and confidence. These resources support lesson planning, student practice, and exercise review, making it easier to guide learners through the course content and reinforce key concepts.

### Teacher Resources

## LESSON PLANS+ANSWER KEYS

This course includes **lesson plans** for every class, covering modules, projects, objectives, and teaching tips, plus complete **answer keys** for easy grading.

### Student Resources

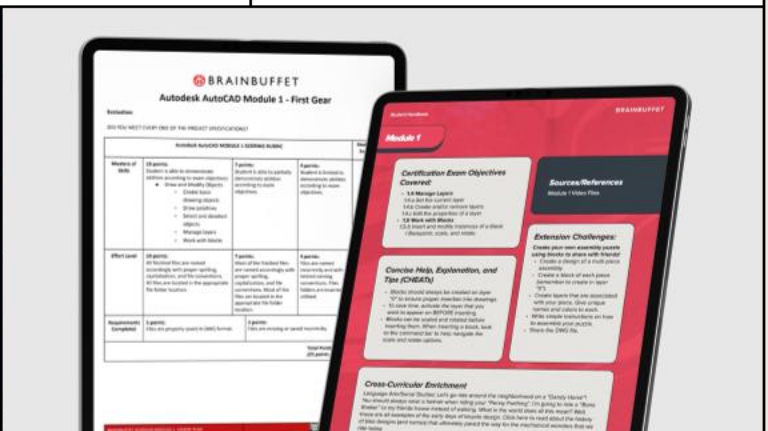

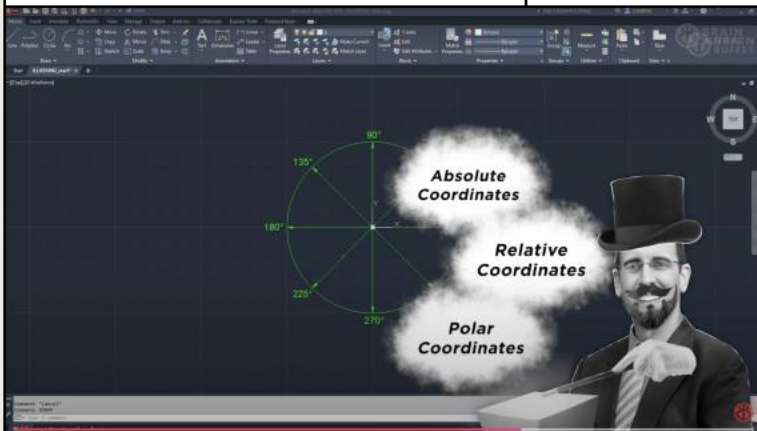

## HANDS-ON

Students are equipped with everything they need to succeed, including **hands-on project files**, a **workbook** packed with activities, practice exercises, vocabulary, and lesson reviews, plus **flashcards** to strengthen key concepts and support long-term retention.

### Quizzes & Knowledge Checks

## AUTO-GRADED ASSESSMENTS

Each module includes **auto-graded quizzes** and **interactive video questions** that help students reinforce what they've learned, while giving instructors an easy way to track progress throughout the course.
