COURSE CONTENT

Knowing how to use Adobe After Effects is an essential skill for video editors who want to learn about motion design.

In the industry, AE is commonly used for animation, visual effects, and compositing. In fact, After Effects can be useful in many different careers!

Let instructor Joe Dockery lead you through this comprehensive course and learn everything you need to start editing video like the pros. Then, use your newfound knowledge to get certified!

INSTRUCTOR
Joe Dockery

Joe Dockery is an Adobe Education Leader and has inspired educators coast to coast as schools integrate technology tools and resources into the arts and media curriculum.

He's received the Washington State Golden Apple Award, Radio Shack's Technology Teacher of the Year Award, both the "Best of the Best" and "Making IT Happen" awards from ISTE, and the Adobe Education Leader "Impact" Award.
