Course Content

Join BrainBuffet founder Rob Schwartz for our flagship course. This course will not only teach you how to manipulate photos using Photoshop's tools, it will teach you how to use those tools creatively.

Students will see why Photoshop is one of the most-used creative softwares in the professional industry!

You are guaranteed to have fun and create some amazing projects, all while preparing for the certification exam.

INSTRUCTOR
Rob Schwartz

Rob Schwartz is an award-winning teacher with over 20 years experience in Technical Training and Education and the founder of BrainBuffet.

Rob's focus on helping people find their purpose, gaining industry skills, developing creativity, and solving real-world problems are the secrets to his success.

Rob is an Adobe Certified Instructor, Adobe Education Leader, and won the prestigious Impact Award from Adobe in 2011.
