Course Content

Master video editing in Premiere Pro with our comprehensive course by Joe Dockery. Learn project setup, assembling videos, advanced techniques like animated lower third titles, compositing with Green / Blue Screen, Blend Modes, and Track Mattes.

Discover better ways to edit in the timeline,- conquer challenging effects, and create subtitles. You will edit several videos while adding your own creative flair and practicing for the certification exam.

INSTRUCTOR
Joe Dockery

Joe Dockery is an Adobe Education Leader and has inspired educators coast to coast as schools integrate technology tools and resources into the arts and media curriculum.

He's received the Washington State Golden Apple Award, Radio Shack's Technology Teacher of the Year Award, both the "Best of the Best" and "Making IT Happen" awards from ISTE, and the Adobe Education Leader "Impact" Award.

Main Ingredients
