20 hours

LESSON VIDEO RUNTIME

5.7 hours

MAIN INGREDIENTS

- Module 1:** First Gear
- Module 2:** Optical Illusions
- Module 3:** Architectural Design
- Module 4:** Annotations
- Module 5:** Layouts and Printing

Greg King teaches CAD at a vocational high school, covering architectural and mechanical design, and computer animation. Previously, he was a Senior Mechanical Designer/Project Manager for HVAC projects, with extensive experience in various markets. Greg holds accreditations like LEED AP O+M and WELL AP, utilizing them in design and teaching. With over 25 years using Autodesk products, starting with AutoCAD, Greg was selected as a Certiport CERTIFIED Ambassador in 2022. Outside teaching, he freelances as a designer and enjoys skiing or coaching youth mountain bike races.
