**COURSE DESCRIPTION**

Turn your imagination and ideas into eye-catching digital art with Photoshop! This all-new 2025 BrainBuffet course is taught by a dream team of creative pros—each bringing their style, perspective, and real-world experience to the table. Packed with updated tools, fun creative challenges, and hands-on projects, this course will take you from basic retouching and color correction to advanced techniques like compositing and Generative AI. With a project-based approach, you'll build an impressive portfolio, prepare for the Adobe Certified Professional exam, and have a blast creating along the way.
