## CERTIFICATION COURSE

All BrainBuffet Certification Courses come with Interactive Videos, Practice Assessments, Multilingual Subtitles and Transcripts, Hands-on Project Files, Teacher Lesson Plans, Grading Rubrics, Answer Keys, and Student Analytics.

## COURSE DESCRIPTION

Master video editing in Premiere Pro with our comprehensive course by Joe Dockery. Learn project setup, assembling videos, advanced techniques like animated lower third titles, compositing with Green/Blue Screen, Blend Modes, and Track Mattes. Discover better ways to edit in the timeline, conquer challenging effects, and create subtitles. You will edit several videos while adding your own creative flair and practicing for the certification exam.
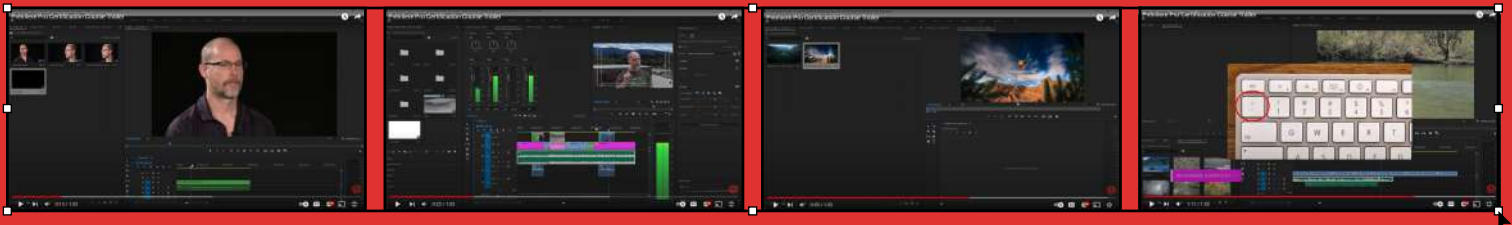

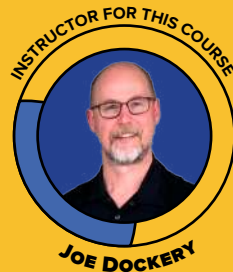

| MODULES | ESTIMATED COURSE DURATION | LESSON VIDEO RUNTIME |
|---|---|---|
| 6 | 46 hours | 6 hours |

## MAIN INGREDIENTS

**Module 1:** Community Promo

**Module 2:** Montain Bike Inverview

**Module 3:** Dirtfish Commercial

### INSTRUCTOR FOR THIS COURSE

### JOE DOCKERY

A frontline classroom arts and media educator, professional development leader, author and frequent conference presenter. Joe Dockery makes sure his students work on real world projects through partnerships he's developed with local businesses and organizations throughout the Snoqualmie Valley in Washington state. He's an Adobe Education Leader and has inspired educators coast to coast as they integrate technology tools and resources into the arts and media curriculum. He's received the Washington State Golden Apple Award, Radio Shack's Technology Teacher of the Year Award, both the "Best of the Best' and "Making IT Happen" awards from ISTE, and the Adobe Education Leader "Impact" Award.
